## REPORT

Subject. "Erh Tung Jih Pao" - Application for Registration with  
S.M.P.

Made by D. S. Henchman

Forwarded by

With reference to the attached communication from Mr. Alexander H. Buchman, U.S.A. citizen (File D-5257), and his application for registration with the S.M.P. of his recent acquisition, the "Erh Tung Jih Pao" (兒童日報), it has been ascertained that despite the owner's request, the U.S.A. authorities have no intention of accepting the registration of this publication.

Huang Yih-teh (黃一德), mentioned in the accompanying application as the editor of the "Erh Tung Jih Pao", was formerly the editor of a mosquito daily of identical designation; this daily made its first appearance in September, 1935, and ceased publication at the outbreak of hostilities in 1937. Huang Yih-teh who at one time was connected with the Erh Tung Bookstore (兒童書局), 424 Foochow Road, is now resident at 3, Lane 826, Haining Road.

Mr. Buchman states that he does not intend to register this paper as a Chinese publication.

Dear Sir:

With reference to my application for registration of the ERH TUNG JIH PAO, I should like the registration to remain unaltered, that is to say, that I am applying for registration of the paper as an American-owned paper.

Very truly yours,

Dear Mr. Ross:

In accordance with the request of your department, I have asked Mr. Huang Yih-teh, Editor of the Erh Tung Jih Pao, to visit you.

Subsequent to my application, Mr. Huang informed me that the Erh Tung Jih Pao was registered in 1935 with both the S.M.C. and F.M.C. Would you be good enough, therefore, to inform me whether re-registration is required, and if not, whether I may immediately resume publication and circulation of the paper?

I shall be glad to send you a sample copy of the paper at your request, or to give you any further information you may require with regard to the Erh Tung Jih Pao.

Very truly yours,

*Alexander H. Buchman*
